

QUALITY POLICY STATEMENT

Baywood Continental Limited (BAYWOOD) is an integrated project management and construction company operating in Nigeria.

Consistent with our vision to be the leader and epitome of excellence in quality service delivery to all our stakeholders, **BAYWOOD** is committed to meeting all statutory and regulatory requirements applicable to its field of operation, as well as all contractually stipulated requirements. We are dedicated to providing our clients with products and services that conform to their needs and expectations.

BAYWOOD has established, implemented, and is maintaining a Quality Management System in accordance with the requirements of ISO 9001:2015 Standard. All **BAYWOOD** product and service realisation, and support processes are planned and executed to meet the requirements of this international standard, and to deliver excellence in quality, cost, schedule, performance, safety, and reliability.

The Top Management of **BAYWOOD** assumes overall responsibility for the Quality Management System and is fully committed to its continual improvement.

Quality objectives aligned with this Policy are established across relevant functions, levels, and processes. Adequate resources are consistently provided to fulfil all business and quality objectives.

To this end, **BAYWOOD** seeks to engage highly competent personnel to support the achievement of both enterprise-wide quality goals, objectives and project-specific outcomes.

The Quality Policy Statement is communicated to all interested parties through noticeboards, the website, emails and quality awareness sessions.
